

## “I know Jesus is alive!”

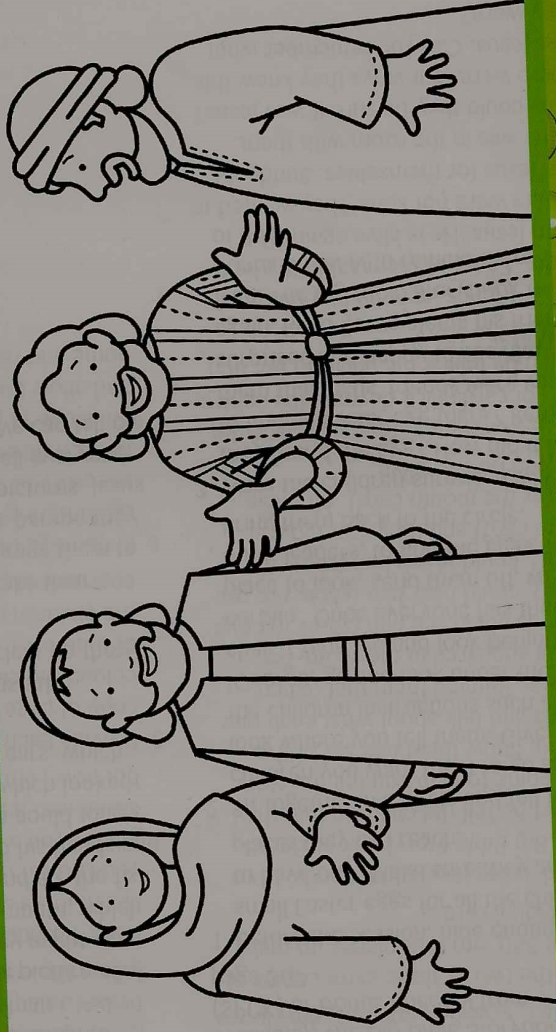

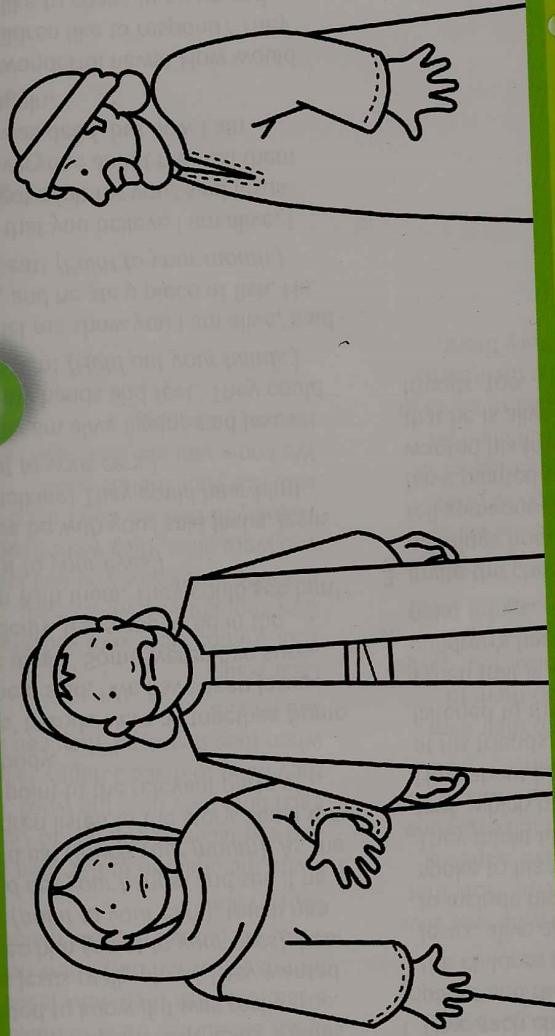

**Examine the first picture together. Notice the two sad faces and the way the third friend seems to be unhappy.**

Ask the children why Jesus' friends are so sad. It is because they think Jesus is dead and they will never see him again.

Now look at the second picture and let the children say what the four differences are (two sad faces now happy, one friend looking surprised instead of sad and Jesus is there).

Read the title at the top of this column. Say that Jesus' friends knew he was alive. They had seen him! They could say, “I know Jesus is alive!”

Can you say it too? Tell your child, “I know Jesus is alive!”

Can you find four differences in these pictures?
